# Innovation Coaching Consultation

## Unlock Your Innovation Potential

Join Stephen Dyson for a complimentary coaching session designed to help you identify and overcome innovation challenges, align your team, and accelerate growth.

**What to Expect:**

**1. Warm Welcome & Context Setting (5 mins)**

- Introduction and session goals
- Share your role and current innovation hurdles
- Learn about Stephen's expertise in product leadership and innovation strategy

**2. Discovery & Diagnosis (15 mins)**

- Explore your innovation goals and blockers
- Identify key challenges in strategy, execution, or team alignment
- Engage with thought-provoking questions to uncover hidden opportunities

**3. Innovation Opportunity Framing (10 mins)**

- Highlight 2-3 strategic growth areas
- Connect challenges to actionable opportunities
- Hear a relevant case study to inspire your journey

**4. Mini Coaching Moment (15 mins)**

- Deep dive into one impactful opportunity
- Receive practical tools and frameworks
- Outline next steps for success

**5. Wrap-Up & Recommendations (5 mins)**

- Recap insights and strengths
- Access tailored resources
- Discuss options for further coaching or workshops

**Optional Post-Session Summary**

- Personalised reflection and roadmap
- Reinforcement of your team's innovation strengths
